

Capability Statement

teamisci.com

Information Sciences Consulting, Inc. (ISCI) is a leading solutions integrator focused on using information and technology to solve real world problems for federal, state, and local government organizations. Since 2001, our staff of engineers, software developers, and technicians has earned an exemplary reputation for superior customer service and continue to bring exceptional support to our clientele. Our Information Solutions, Professional Services, Information Assurance, IoT, Cybersecurity, and Cloud Migration experts apply the latest technologies and industry best practices to project management, analytics, software development, IT Services, healthcare informatics, and Infrastructure challenges.
